JUNE SEMINAR NOTICE

Presented by
Yale School of Medicine’s, Department of Therapeutic Radiology

“Clinical Updates in Lung Cancer Radiotherapy”

Henry S. Park, MD, MPH
Assistant Professor of Therapeutic Radiology
Associate Director, Residency Training Program
Chief, Thoracic Radiotherapy Program
Department of Therapeutic Radiology
Yale School of Medicine

Date: Thursday, June 3, 2021, 9:00AM
Location: Zoom Meeting

Course Director/Host: Henry S. Park, MD, MPH
There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending Physicians; Housestaff/Fellows; Medical Students; Nurses; PA’s; Other

NEEDS ASSESSMENT
There have been significant changes in the standard-of-care management of non-small cell lung cancer (early stage, locally advanced, oligometastatic, and palliative) and small cell lung cancer (limited stage and extensive stage) in the past 2 years, with multiple new trials in the pipeline. It is important to share these updates on an annual basis to radiation oncologists (especially those who do not specialize in lung cancer radiotherapy) within the Department of Therapeutic Radiology.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
1. Understand recent evidence and ongoing clinical trials on stereotactic body radiotherapy in early-stage non-small cell lung cancer, regarding dose-fractionation and combination immunotherapy.
2. Understand the role of immunotherapy in conjunction with radiotherapy in locally advanced non-small cell lung cancer and small cell lung cancer.
3. Understand the rationale for ongoing clinical trials on prophylactic cranial irradiation and consolidative thoracic radiotherapy in small cell lung cancer.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Henry S. Park, MD, MPH – Bristol-Myers Squibb, Honorarium-Speaker

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education has reviewed these disclosures and has determined that, taken as a whole, they are not reasonably likely to affect the objectivity of the continuing medical education activity.
Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
