Learning Objectives

- Describe the political context of refugee resettlement
- Demonstrate key aspects of culturally sensitive health care for refugees
- Describe special considerations in providing longitudinal pediatric and adult health care for refugees, with an additional focus on women's health issues
- Identify local resources for refugee services in New Haven and surrounding communities

Target Audience/Registration

- Connecticut clinicians and clinicians-in-training, who are interested in learning about the specific mental and physical health needs of refugees
- Community Members & Clinicians (Physicians, Nurses/APRNs/Physician Associates/Others): \$20
- Fellows/Residents/Students: No fee with ID card

The Yale School of Medicine designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit™

For more information about this event and to register, please visit <http://www.psychiatry.yale.edu/refugee/>

This event is co-sponsored by the YSM Department of Internal Medicine; YSM Office of Global Health (Department of Internal Medicine); and the YSM Office of International Medical Student Education.

Accreditation/Designation Statement

The Yale School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The Yale School of Medicine designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This course will fulfill the licensure requirement set forth by the State of Connecticut education in cultural competency.

Disclosure Policy

It is the policy of Yale University School of Medicine, through its Center for Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating in this symposium are required to disclose to the program audience any relevant financial relationship(s) they (or spouse/partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interest. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
