

# Foundations of Community Engagement in Cancer Research

---

## Research Dissemination and Measuring Engagement Impact for Cancer Research (Part 3 of 3 Part Series)

**Monday, May 4, 2026 from 11:00am-12:00pm**

Zoom only

RSVP: <https://bit.ly/3Y572Ho>

### **Sakinah Carter Suttiratana, PhD, MPH, MBA**

Community Outreach and Engagement (COE) Faculty, Yale Cancer Center

This lecture series introduces core principles of community engaged research relevant to cancer prevention, detection, treatment, or care using case examples from Yale Cancer Center and elsewhere. Session Three will focus on measuring and assessing outreach and engagement.

**Participants who attend all three sessions will receive a certificate of completion at the end of the program.**

**For questions, please contact [ycc.coe@yale.edu](mailto:ycc.coe@yale.edu)**
