

## Urology Grand Rounds: “Bloodborne Pathogens Annual Review”

2/4/2022 7:30:00 AM–2/4/2022 8:30:00 AM | Online

The CME activity is designed to cover a broad range of clinical and research urologic topics which audience members will either have exposure to in their own urologic practices, as well as being generalizable to improve overall understanding and expansive to common and evolving urologic topics. The conference will also cover associated medical issues that many physicians and urologists are faced with as they manage complicated patients in a multidisciplinary community of physicians

**For CME credits, please text code 29112 to 203.442.9435**
