***"Inspiration Comes In All Sizes"***

***Moderated by: Tara Sanft, MD***

**Needs:** An interdisciplinary discussion on patients who inspire us and transform themselves or those around them. We will reflect on the impact this has on us as caregivers.

**Objectives:** Share true stories of how patients or their loved ones inspire others and transform in the face of illness. Reflect on our own reactions to these patients and why we find inspiration in their stories. Honor stories, big and small, to respect the awe generated by those we care for every day

**Schwartz Center Rounds® sessions are open to All Yale/Smilow/YNHH employees, affiliated clinicians, trainees, and other authorized personnel.**

**Caregivers Discuss the Challenging Emotional and Social Issues that Arise in Caring for Patients and their Families with the Goal of Improving Caregiver-Patient/Family Relationships.**
