Endometrial Cancer: A Metabolic Disease

Clare Flannery, MD
Associate Professor, Department of Obstetrics, Gynecology & Reproductive Sciences
Endocrinology, Department of Internal Medicine
Co-Director, Yale University Reproductive Sciences Biobank

January 30, 2020 • 4:00-5:00 pm
Brady Auditorium, 310 Cedar St

ACCREDITATION:
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE:
ObGyn attending physicians, house staff/fellows, medical students, nurses, PA’s, community Ob/Gyn’s, residents, midwives, nurses and researchers.

NEEDS ASSESSMENT:
Obesity is a critical risk factor for endometrial cancer in the setting of our obesity epidemic. It is important to know which women with obesity are most at risk for endometrial cancer.

LEARNING OBJECTIVES:
1. Discuss the epidemiology of endometrial cancer in the United States;
2. Understand the role of obesity in cancer development; and
3. Discuss the evidence for diabetes screening and metabolic assessment in women with endometrial hyperplasia and cancer

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:
Course Director: Lubna Pal, MD
Flo Health, Consultant
AMAG Advisory Board, Member
GLG, Consultant
Abbott Advisory Board, Member

Speaker: Clare Flannery, MD
None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
