Yale School of Medicine

**Date: Thursday, May 13, 2020**

**Time: 7:30-8:30 am**

**Via Zoom:** <https://zoom.us/j/93454335491?pwd=VTIMNVUwSGYzQkIhMUI0R0p3bTlZlQ09>

**Yale General Internal Medicine Faculty Seminar**

**Course Directors/Hosts: Lisa Puglisi, MD 203-785-7411 and Matt Ellman, MD**

*There is no corporate or commercial support for this activity.*

This course will fulfill the licensure requirement set forth by the State of Connecticut

### **ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### **DESIGNATION STATEMENT**

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### **TARGET AUDIENCE**

Faculty, residents, students, and staff involved in education of health care professional trainees.

### **FACULTY DISCLOSURES**

Dr. Warren receives honorarium from Amgen as a speaker. Lisa Puglisi and Dr. Matt Ellman, Course Directors, have no conflicts of interest to disclose.

### **NEEDS ASSESSMENT**

There is an important need for general internists to understand the value of community level primary care assessment for policy and health planning and the advantages of community-based participatory research methods for studying health systems.

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

### **LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be familiar with:

1. Understand the current multi society guidelines for evaluation and management of hyperlipidemia.
2. Understand the variety of risk enhancing factors which might call for more aggressive treatment of lipid abnormalities.
3. Understand the potential role of Coronary Artery Calcium scoring to reclassify cardiovascular risk.
