EMD Seminar Series

Tara C. Smith, PhD
Professor of Epidemiology
Kent State University College of Public Health

“Investigating the epidemiology of livestock-associated *Staphylococcus aureus*”

While once considered primarily a hospital-associated pathogen, antibiotic-resistant strains of *Staphylococcus aureus* are now recognized to be widespread in the community. This talk will discuss *Staph aureus* in livestock in the US and globally.

12:00 PM Wednesday, April 13, 2022
Host: N. Grubaugh/R. Heimer/A. Wyllie
47 College St., Rm. 106B and Zoom
