

## “Carotid Revascularization: Indications and Techniques”

### Charles Matouk, MD

Friday, September 20<sup>th</sup>, 2019, 7:50 am, Cohen Auditorium,  
NIHB E 02 - 230 South Frontage Road

Course Director/Host: Jason Gerrard, MD, PhD/Murat Gunel, MD

This course will fulfill the licensure requirement set forth by the State of Connecticut

#### ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

#### NEEDS ASSESSMENT

To update the clinical neuroscience community on emerging treatment options for neurovascular disease. Discuss regional trends in the use of carotid revascularization techniques. Review treatment algorithms for carotid revascularization vs medical management.

#### LEARNING OBJECTIVES

At the conclusion of this activity, participants will learn:

1. Discuss the importance of distinguishing asymptomatic vs symptomatic carotid disease.
2. List methods of carotid revascularization and their relative risks and benefits.
3. Recognize the emerging importance of plaque morphology in stroke and peri-procedural risk.

#### DESIGNATION STATEMENT

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim credit commensurate with the extent of their participation in the activity.

#### FACULTY DISCLOSURES

Charles Matouk, MD - none

Jason Gerrard, MD, PhD - none

Murat Gunel, MD - none

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
