

Presented by:

Program for Biomedical Ethics

The Ethics of Trigger Warnings

12/7/2022

5:00: - 6:30 PM | Medical Campus in The Anylan Center Auditorium and online via Zoom

The Program for Biomedical Ethics at Yale School of Medicine provides multidisciplinary leadership regarding the ethical and social aspects of health care and medical research. Our interdisciplinary team draws upon philosophy, law and social and behavioral sciences to provide expert biomedical ethics consultations for families, researchers, physicians and other health care providers. Additionally, the Program for Biomedical Ethics develops and presents various ethics-related educational programs throughout the academic year for medical, nursing and physician assistant students, the community, Yale faculty as well as local, regional and national health care professionals.

Texting code for today's session: 36142

Faculty:

Douglas Shenson, MD, MPH, MS, MA

Director, Populations & Methods: the Application of Epidemiology and Biostatistics to Public Health

Deputy Leader, Health Equity Thread

Associate Professor Adjunct, Yale School of Medicine

Associate Clinical Professor, Yale School of Public Health

Tia Powell, MD

Dr. Shoshanah Trachtenberg Frackman Chair in Bioethics

Professor of Epidemiology and Psychiatry

Albert Einstein College of Medicine

Author, Dementia Reimagined: Building a Life of Joy and Dignity from Beginning to End

Beverly Sheares, MD, MS

Associate Professor of Pediatrics

Section of Respiratory, Allergy/Immunology, & Sleep Medicine

Health Equity Thread Leader, Yale School of Medicine

Pediatric Pulmonary Fellowship Program Director

Sarah Hull, MD, MBE (Moderator)

Assistant Professor of Medicine (Cardiology), Yale School of Medicine

Associate Director, Program for Biomedical Ethics, Yale School of Medicine

Course Director & Planning Committee:

| Name of individual | Individual's role in activity | Name of Ineligible Company(s) / Nature of Relationship(s) |
|-------------------------|-------------------------------|---|
| Karen P Kolb, MFA, APR | Activity Coordinator | Nothing to disclose - 08/30/2022 |
| Mark Mercurio, MD | Course Director, Faculty | Nothing to disclose - 08/31/2022 |
| Tia Powell, MD | Faculty | Nothing to disclose - 10/20/2022 |
| Beverley J. Sheares, MD | Faculty | Nothing to disclose - 10/12/2022 |
| Douglas Shenson, MD | Faculty | Nothing to disclose - 11/15/2022 |

Program Objective(s):

- 1 • To discuss the obligation of healthcare professionals-in-training to grapple with disturbing images, concepts, and clinical situations that are relevant to their future roles.
- 2 • To consider the ethically appropriate approach for medical educators to take in presenting such material.
- 3 • To examine guiding principles that inform whether a student with his or her own experience of trauma should be exposed in professional school to highly disturbing material.

Target Audience: Cardiovascular Disease, Critical Care Medicine, Dermatology, Diagnostic Radiology, Emergency Medicine, Endocrinology, Family Practice, Gastroenterology, General Practice, General Surgery, Hospitalist, Internal Medicine, Neurology, Neurosurgery, Nutrition, Ob/Gyn, Oncology, Ophthalmology, Orthopedic Surgery, Pediatrics, Psychiatry, Radiology, Rheumatology, Urology, Geriatric Medicine, Multiple Specialties, Nurse Practitioner, Pharmacist, Pathology, Physical Therapy, Physician Assistant, Psychology, Public Health, Social Work, Otolaryngology, Infectious Diseases, Nephrology, Orthopedic, Surgery / Transplant, Digestive Diseases, Sleep Medicine, Interventional Radiology, Surgery, Vascular Medicine, Pulmonology, Other, Hematology, Primary Care, Anesthesiology, Physical Medicine & Rehabilitation
