**12:00–1:20 PM**

**60 College Street**

**LEPH 103**

***“Investigating Social Determinants of Health using NYS  
Medicaid Data -- and, in particular, the effects of  
income on Children's Health”***

**Sherry Glied, PhD**

**Dean and Professor of Public Service**

**NYU Robert F. Wagner School of Public Service**

Dr. Glied served as Assistant Secretary for Planning and Evaluation at the U.S. Department of Health and Human Services, where she oversaw a portfolio that spanned healthcare delivery, pharmaceuticals, health research, and human services policy, including assessments of evidence-based funding programs in home visiting and pregnancy prevention. She was Professor of Health Policy and Management at Columbia University's School of Public Health and served as Chair of the Department of Health Policy and Management. She has also served as Senior Economist for healthcare and labor market policy on the President's Council of Economic Advisers under Presidents George H. Bush and Clinton and participated in the Clinton Health Care Task Force.
