

Yale Journal of Biology and Medicine: Licensing and Copyright Form

Commercial Copyright is Retained by the *Yale Journal of Biology and Medicine*. All articles are licensed under a Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0), which applies to all noncommercial uses by users.

Article Title:

List of Authors:

As part of our continuing mission to enrich the sharing of ideas between medical and scientific communities around the world, the *Yale Journal of Biology and Medicine* is published Open Access on PubMed Central (PMC). Any user may read, download, or reproduce a digital copy of any article, so long as proper credit is given to the authors and to the Journal as the place of original publication. All commercial rights are retained by the Journal.

We, the undersigned authors and agents, certify that the work submitted is original and we are owner of exclusive rights to it. On consideration of the acceptance of the above work for publication, we do hereby assign and transfer to the *Yale Journal of Biology and Medicine* all commercial rights and interests in and to the copyrights of the above titled work.

We, the undersigned authors and agents, agree that this work shall be licensed under the Creative Commons Attribution-NonCommercial International CC-BY-NC 4.0 License. Under the terms of this license, any User may Share -- copy and redistribute the material in any medium or format and/or Adapt -- remix, transform, and build upon the material:

- **Attribution.** You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.
- **Noncommercial.** User may not use this work for commercial purposes.
- **No additional restrictions.** You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.

If the above work is not accepted by the *Yale Journal of Biology and Medicine* for publication, this transfer has no legal effect.

Author(s): This form must be signed by each author(s) or an authorized agent. In the case of a work commissioned by another person or organization, or produced as part of duties as an employee, an authorized representative of the commissioning person, organization, or employer must also sign the form.
