ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, researchers, house staff, fellows, residents, medical students, nurses.

NEEDS ASSESSMENT

Coronavirus disease 2019 (COVID-19) is a new disease entity that is being described as a result of the SARS-CoV-2 infection, which has led to a pandemic. A broad pathological description is required which will form the basis on ongoing clinical and scientific re-

search. The presenters will describe the autopsy performance, histopathological features, viral tropism and early tissue bank-based research in a cohort of patient who died from COVID-19.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Understand the practical considerations when performing an autopsy in COVID-19 patients.
- Describe the major histopathological findings in seven fatal COVID-19.
- Understand the early work in viral tropism in COVID-19 autopsies.

DESIGNATION STATEMENT
