University of Chicago

**“Designing with Young People to Improve
Sexual and Reproductive Health”**

There is no corporate support for this activity
Course Director/Host: Lubna Pal, MBBS, FRCOG, MS, FACOG

Thursday, November 29, 2018, 4:00PM-5:00PM
Brady Auditorium, 310 Cedar St

LEARNING OBJECTIVES:

At the conclusion of this talk, the attendees will be able to:

1. Use positive youth development and asset building approaches in clinical care and research;
2. Identify structural and systemic factors and consider how they create reproductive health disparities; and
3. Consider novel methodologies for engaging adolescents and influencing their health.

NEEDS ASSESSMENT:

This talk is needed in order to help researchers and clinicians create and implement interventions using multi-system, youth-centered approaches.

TARGET AUDIENCE

ObGyn attending physicians, house staff/fellows, medical students, nurses, PA's, community Ob/Gyn's, residents, midwives, nurses and researchers.
