

# Yale CME

CONTINUING MEDICAL EDUCATION

Clinical Neuroscience Grand Rounds

Presented by the Departments of Neurology & Neurosurgery

## “Animal Models of Cancer

### Somatic Cell Gene Editing Mediated In Vivo Cancer Modeling”

**Sidi Chen, PhD**

**Assistant Professor, Department of Genetics and  
Systems Biology Institute  
Yale University School of Medicine**

**Wednesday, November 4, 2015, 8:00 a.m.  
Brady Auditorium, Room B131**

*There is no corporate support for this activity*

*This course will fulfill the licensure requirement set forth by the State of Connecticut*

#### **ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### **NEEDS ASSESSMENT**

Human cancer has a complex genomic landscape. Understanding the functions of genetic alterations has been and continues to be a challenging problem.

#### **LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

- Understand the cancer genome complexity
- Understand the roles of animal models in cancer
- Gain knowledge in current frontier of next generation animal models of cancer using genome editing

#### **DESIGNATION STATEMENT**

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

#### **FACULTY DISCLOSURES**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
