

Yale Diagnostic Radiology Grand Rounds

Presented by

Yale School of Medicine's, Department of Radiology and Biomedical Imaging

“Oncologic Imaging in the Era of Immunotherapy”

Rony Avritscher, MD, FSIR

Associate Professor
Department of Interventional Radiology
Division of Diagnostic Imaging
The University of Texas
MD Anderson Cancer Center
Houston, TX

Thursday, October 24, 2019

12:30pm

TAC Auditorium

Course Director: T. Rob Goodman, MBBCh, MBA, BMSc

Host: David C. Madoff, M.D., FSIR, FACR, FCIRSE

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Physicians, Fellows, Residents and Medical Students

NEEDS ASSESSMENT

Immunotherapy is now at the forefront of cancer treatment. Response to immunotherapy differs from conventional chemotherapy. The radiologist monitoring and predicting response needs to be familiar with the unique characteristics of immunotherapy approaches. Moreover, the role of radiology in the care of patients undergoing immunotherapy is expanding with advances in imaging of immune response and potential combination therapies with interventional radiology.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Understand the role of radiology in monitoring and predicting response to immunotherapy
2. Be familiar with advances in imaging of immune response
3. Understand the potential of image-guided procedures in the setting of immunotherapy

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Speaker: Rony Avritscher, MD - NONE

Course Director:

T. Rob Goodman, MBBCh, MBA, BMSc - NONE

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
