

Lupe (Dog)

Name: Guadalupe (Lupe) Leiva Cruz
Birthplace: NY
Hobbies: Chasing dogs that are chasing balls, learning English and Spanish (and then pretending to not understand either) and judging
Favorite food: Nothing, not even treats
What you're most likely to be found doing on a day off: Napping and people/dog watching from a distance
Your #1 goal for internship: Growing more comfortable in my own skin and strengthening my relationship with my colleagues (I'm looking at you Grahamsito and Pocketsita).

Milo and Chido (Chinchillas)*

Name: Chido Magier
Birthplace: Vermont
Hobbies: Gnawing at the wood baseboard in mom and dad's office, getting rubs and brushes especially on my tush, jumping on dad's head and high up on mom's bookshelf.
Favorite food: Lettuce is life.
What you're most likely to be found doing on a day off: Every day is my day off! I surf walls, eat cranberry treats, and sit on mom and dad's couch like the human I think I am.
Your #1 goal for internship: To develop strong team collaboration with Milo and Missy. I love them!

Name: Milo Magier
Birthplace: Right in mom and dad's home in East Rock, CT, much to their surprise...
Hobbies: Jumping off walls aka wall surfing, jumping on mom and dad's desks and chewing things when they're not looking, "popcorning" in the air when I get excited
Favorite food(s): I will do anything for oats.
What you're most likely to be found doing on a day off: Trying to escape my palace of a cage to explore the rest of mom and dad's house, and maybe find oats on the floor somewhere...
Your #1 goal for internship: To prove that 2-year-olds can be competent interns, too!

*Couples matching

Missy (Dog)

Name: Missy Magier
Birthplace: Mississippi- I was saved by Labs4Rescue and brought to Massachusetts when I was a couple months old! (shhh I am really mostly border collie, though)
Hobbies: Swimming in the ocean (Nantasket beach is my favorite), taking naps on the human bed, running in the park, and cuddling with my family
Favorite food(s): Probably a tie between cheese (any and all cheese) and chicken. I hit the jackpot on Shabbat when dad makes rotisserie chicken and I get all the droppings...
What you're most likely to be found doing on a day off: Definitely sleeping in and then going for a hike!
Your #1 goal for internship: Put a smile on all the patients' faces!

Graham (Dog)

Name: Graham Cracker Madhavan Anand
Birthplace: West Bend, Iowa
Hobbies: Cuddling, sleeping, playing keep away, being chased, eating treats, and running around with other doggies
Favorite foods: Peanut butter, whipped cream, and turkey tendons
What you're most likely to be found doing on a day off: Walking in East Rock with my parents followed by napping
Your #1 goal for internship: I would like to improve my efficiency and bedside manner. I get easily distracted by hospital sights, sounds, and most of all SMELLS

Burgee (Dog)

Name: Burgee O'Donovan
Birthplace: Pittsburgh, PA
Hobbies: fetch of all forms, chasing birds, getting belly rubs
Favorite food(s): blueberries, peanut butter, kibble, and many things I should not be eating (mostly leaves and sticks)
What you're most likely to be found doing on a day off: going for long walks and hanging out with my friends at the dog park
Your #1 goal for internship: I hope to develop my clinical skills and meet lots of new friends who will play with me!

Pocket (Cat)

Name: Pocket Lucy Clarkson Dimopoulos-Verma

Birthplace: Flushing, Queens

Hobbies: Meowing for pets, attacking catnip, purring, getting chin scratches

Favorite foods: Chicken & cheese Churu and chicken flavored Greenies

What you're most likely to be found doing on a day off: Sleeping for >20 hours, waking up only to eat or do floppies for my parents

Your #1 goal for internship: Become more efficient at making biscuits.
