"Past Memories And Future Hopes"

"A group reflection on COVID19 a year later"

*Something I remember...something I learned...something I
hope for...*

Moderated by: Leslie Blatt, APRN

Needs Assessment: In this interactive Schwartz Rounds session, our aim is for you to reflect on 2020 and to bring a memory, poem or picture that may have transformed you in our unpredictable year. This can be anything you feel was meaningful and may have even surprised and enlightened you for which you want to share with your fellow colleagues. Staff from several different disciplines will be encouraged to describe their memory or reflection on the above 3 thoughts.

Learning Objectives: 1. To be able to share a reflection or memory of the last year and its meaning ;2. To utilize other modalities such as poems, music to express thoughts about the past year
