HIGHLIGHTS

KAITLYN MURPHY RECEIVES OUTSTANDING APP NEWCOMER AWARD

Pictured (left to right): Douglas Eldred, PA, Kaitlyn Murphy, MSN, APRN, CPNP, Rebecca Orsulak, PA-C.

Pictured (left to right): Adam Hittelman, MD, PhD, Ryan Artigliere, PA-C, Kristie Hotchkiss, APRN, Therese Collett-Gardere, APRN, CPNP, Kaitlyn Murphy, MSN, APRN, CPNP, Israel Franco, MD, Rafaela Mangino, PA-C, George Hayner, PA-C

At the annual APP Awards Recognition Dinner, which is held at the culmination of APP Week, **Kaitlyn Murphy, MSN, APRN, CPNP** was awarded with the Outstanding APP Newcomer Award. This award recognizes "An APP who has worked at YNHHS for less than 2 years and symbolizes the greatness in YNHHS employees, and demonstrates clinical success by being highly regarded by patients and staff." Congratulations, Kaitlyn!

'MOVEMBER' KICKS OFF WITH MULTI-SITE MEN'S HEALTH SCREENINGS

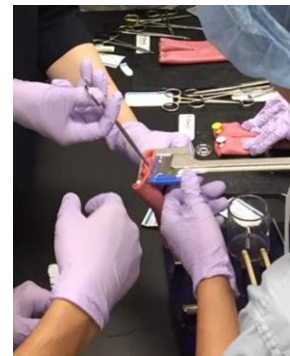

As a result of the success of our inaugural **Men's Health Fair** held in 2018, two additional community screening events are taking place this year, reinforcing the importance of men staying up-to-date with their annual health screenings.

New for 2019, Bridgeport Hospital will offer free prostate cancer screenings on Tuesday, November 12 from 3:30 p.m. to 6:30 p.m. in the MedEase Unit. On Thursday, November 14 from 5:00 p.m. to 7:00 p.m., Yale Urology at L+M Hospital will be hosting a Men's Health Fair, offering free prostate cancer screenings and access to information on topics including sexual health and smoking cessation.

For New Haven area residents, we will host our second annual Men's Health Fair - also on November 14, from 5:00 p.m. - 7:00 p.m. in the Yale Physicians Building on the 3rd floor. Free prostate cancer screenings as well as flu shots will be offered, and information on many health topics relevant to men.

SURGICAL FAIR FOR MEDICAL STUDENTS SET FOR NOVEMBER 12

On Tuesday, November 12 from 6:00 p.m. to 7:30 p.m., we will be hosting students from Yale School of Medicine for a **Surgical Fair** in The Anlyan Center. The fair is designed to give 1st and 2nd year med students an immersive experience in urologic procedures, including Foley placement, suturing, implantable devices, and much more. **Peter G. Schulam, MD, PhD** will start the event by welcoming all attendees and will provide an overview of urology before everyone disperses to the surgical stations.

DEPARTMENT WELLNESS PROGRAM "THE Y-U FACTOR" LAUNCHES

Recognizing the burnout that faculty, residents, and APPs can experience, a new wellness event, **The Y-U Factor**, was held in the courtyard of The Anlyan Center on Monday, October 28.

Thirty faculty, APPs, residents, and staff attended the event and played corn hole, socialized, and shared ideas of what well-being means on a think board. While this is just the first event of many to come, it was a reminder to everyone of the importance of taking a mental break during their day.

HELP MAKE THE HOLIDAYS MAGICAL FOR THREE AREA FAMILIES

Through the New Haven non-profit organization, New Reach, which helps at-risk families, youth, and individuals, Yale Urology has adopted three single-parent families for the holiday season.

To brighten the holidays for each of these families, a wish list of toys, basic household items, and clothing has been compiled. If you would like to support one of the families, please [view the wish list here](#) and sign up for one or more items, indicating which wish(es) you will fulfill. All gifts, *unwrapped, please*, must be brought to the Urology administrative office in Fitkin no later than Wednesday, December 4.

BPH RACK CARDS NOW AVAILABLE

Yale Urology
Benign Prostatic Hyperplasia

As a new resource for patients and physicians, informational rack cards are now available for the male urologic condition, Benign Prostatic Hyperplasia (BPH). This rack card is the first in a series of patient materials being produced for the department.

Currently, the card is available in several Yale Urology clinics around the state, and the PDF is [linked on our website](#). If you are interested in receiving copies, please contact [Eliza Folsom](#).
