Host: Joseph Lim, MD

To record your attendance to this activity, text the Activity Code (20560) for your RSS activity to 203-442-9435.
You will receive a message back that verifies your activity attendance has been recorded for CME credit.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** Neuroendocrine tumors (NETs) are rare, and we need to raise awareness about diagnosis and treatment of NETs, particularly as it relates to conditions seen by gastroenterologists such as incidentally discovered NETs during screening colonoscopy and management of diarrhea in patients with NETs. **Objectives:** To provide an overview of NET epidemiology and diagnostics; To review treatment for hormone control with a focus on carcinoid syndrome diarrhea; To review treatment for tumor control; To discuss future research and opportunities. **Faculty Disclosures:** P Kunz – None; J Lim – Allergan, Celgene, Genfit, Eiger, Intercept (PI on research grants). It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
