

# GRAND ROUNDS LECTURE DEPARTMENT OF DERMATOLOGY

*presents*

## *Neutrophilic Dermatoses revisited*

**Kanade Shinkai, MD, PhD**

Assistant Professor of Clinical Dermatology  
Associate Residency Program Director  
UCSF Department of Dermatology

**August 7, 2013 - 10:00 a.m.**

Fitkin Amphitheater, LMP 1094  
789 Howard Avenue

### ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

### CME CREDIT

This educational activity is designated for a maximum of 1 Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

### NEEDS ASSESSMENT

Neutrophilic dermatoses are a poorly-understood set of cutaneous disorders that are grouped on the basis of their histopathological findings. In this presentation, I will offer important insights into the relationship between neutrophilic dermatoses and underlying systemic diseases. I will also describe new information on molecular and cellular pathways that give rise to neutrophilic dermatoses that highlight common pathways and principles in neutrophil homing to skin.

### LEARNING OBJECTIVES

1. Describe updates in the understanding of neutrophilic dermatoses when they present in the setting of underlying systemic disease
2. Define molecular and cellular pathways that give rise to neutrophilic dermatoses
3. Identify common principles in neutrophil homing to skin

### FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

This program is not supported by any grants or corporate support.  
This course fulfills licensure requirements set forth by the State of Connecticut.
