

Yale University PET Center

Service Prices

July 1, 2024- June 30, 2025

The PET Center is a USP (University Service Provider). Each fiscal year (FY), we set our prices for PET services based on our scan volume and based on our costs (personnel, supplies, maintenance contracts, etc.).

PET Center FY25 prices for the above referenced period are as follows:

Item	Price
PET Scan for Human or Large Animal (up to 2 hours)	\$3,288
Rodent Imaging per hour	\$822
Additional scan hour for Human or Large Animal	\$822
Radiosynthesis Dose	\$2,839
Validation	\$30,000
Blood Sampling	\$121
Metabolites Analysis	\$1,042
A-line	\$260
NHP Usage per day	\$3,000

Please refer questions on PET pricing to Maribel Rayas (maribel.rayas@yale.edu) or Leigh Nerka (leigh.nerka@yale.edu)

Cancellation fees:

Early cancellation (13 calendar days prior to study): 8% of scheduled study

Late cancellation (7 calendar days prior to study): 20% of scheduled study

48 hours or less prior to study: 100% of full cost of study

Cancellation of validation (no charge if canceled before validation begins): 100% of the rate applies once validation has officially started

Other Fees:

Late Subject Information: \$100

Late Tracer Conversion: \$500

Late Notice of Procedure Changes: \$125

Note: There will be 17.65% indirect cost rate added on this pricing due to Yale assessments. As of 7/1/25 forward, there will be a 30% indirect cost rate added onto the current pricing once rates are finalized.

Please refer to the PET Investigators Guide and Human Imaging Policy for a detailed explanation of the cancellation policy and other fees.
