

Yale General Internal Medicine Research in Progress Meeting

“The Clinical Epidemiology Research Center (CERC) West Haven VA’s Best Kept Secret”

Mihaela Aslan, Ph.D.

Associate Research Scientist
General Internal Medicine
Yale School of Medicine

Date: Thursday, February 6, 2020 12:00pm - 1:00p

Location: The Anlyan Center, 2nd Floor, Room N203 (TAC, 300 Cedar Street)

Yale General Internal Medicine Faculty Seminar

Course Director/Host: Patrick G. O’Connor, MD, MPH, 203-688-6532

There is no corporate or commercial support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Faculty, residents, students, and staff involved in education of health care professional trainees.

NEEDS ASSESSMENT

There is an important need for general internists to understand the value of community level primary care assessment for policy and health planning, and the advantages of community-based participatory research methods for studying health systems.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. To introduce the Cooperative Studies Program (CSP) - one of the largest VA research programs.
2. To describe the research portfolio of studies and activities of the Clinical Epidemiology Research Center (CERC) as part of the nationwide CSP program.
3. To learn about new causal inference methods in the context of the VA learning healthcare system.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Mihaela Aslan, Ph.D., has no conflicts of interest to disclose. Dr. Patrick G. O’Connor, Course Director, has no conflict of interest to disclose.

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
