Host: Fred S. Gorelick, MD
Course Directors: Yasuko Iwakiri, PhD and Joseph Lim, MD

To record your attendance to this activity, text the Activity Code (29426) to 203-442-9435.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Target Audience: YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. Needs assessment: Understand the mechanisms by which obesity and dietary fat promote pancreatic cancer development. Objectives: Review the role of obesity and dietary fat as risk factors for pancreatic cancer; Discuss how both exocrine and endocrine cells of the pancreas adapt to obesity and dietary fat; Link endocrine and exocrine adaptations to obesity and dietary fat to cancer development. Faculty Disclosures: Faculty for this educational activity have no relevant financial relationship with ineligible companies to disclose. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
