Dear Parent,

Children at Phyllis Bodel Childcare Center are provided with outdoor play activities twice a day (weather permitting) during the hours of peak sun concentration and may be exposed to harmful UVB and UVA rays of the sun which can damage skin.

For those parents who do not wish to use a sunscreen product on their child, we offer the following plan in order to meet the needs of your child's health and safety. To comply with the NAEYC accreditation we are required to make outdoor play safe: "When in the sun, they wear sun protective clothing, applied skin protection or both" NAEYC Standard 5.A.07.

Plan:
