

Digestive Diseases and Yale Liver Center
Research Seminar

YaleCME
CONTINUING MEDICAL EDUCATION

Presented by
Yale School of Medicine's Department of Internal Medicine,
Section of Digestive Diseases

“Regulation of Intracellular Calcium by Hepatocytes”

Barbara Ehrlich, PhD

Professor of Pharmacology and of Cellular and
Molecular Physiology
Yale School of Medicine

Tuesday, March 3, 2020
TAC S-247, 300 Cedar Street
5:00 - 6:00 pm

Host: Michael H. Nathanson, MD, PhD

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, and staff, and local GI physicians. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** Basic understanding of cell signaling. Basic understanding of polycystic kidney disease. Basic understanding of ion channel functions. **Objectives:** Polycystic kidney disease is a multiorgan disease. Calcium signaling plays an important role in liver disease. Proteins associated with polycystic kidney disease have an impact in liver disease. **Faculty Disclosures:** B. Ehrlich - Osmol Therapeutics Co-Founder M. Nathanson – None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
