

MARCH SEMINAR NOTICE

Presented by

Yale School of Medicine's, Department of Therapeutic Radiology

“STING-Dependent Regulation of the Tumor DNA Damage Response”

Thomas Hayman, MD, PhD
Assistant Professor of Therapeutic Radiology
Department of Therapeutic Radiology
Yale School of Medicine

Date: Thursday, March 11, 2021, 9:00AM
Location: Zoom Meeting

Course Director/Host: Henry S. Park, MD, MPH

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending Physicians; Housestaff/Fellows; Medical Students; Nurses; PA's; Other

NEEDS ASSESSMENT

Need to identify novel strategies to enhance responses to DNA-damaging therapies (including radiation).

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Understand CRISPR-Cas9 Screening.
2. Define the role of STING in regulating tumor intrinsic response to DNA damage.
3. Understand potential role of STING agonists in combination with radiation.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Thomas Hayman, MD, PhD - None; Henry S. Park, MD, MPH – RadOncQuestions, LLC, Honorarium-Editor

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
