

Yale CME

Clinical Neuroscience Grand Rounds

Presented by the Departments of Neurology & Neurosurgery

“Antiepileptic Drugs 2014: Where have we been? Where are we? Where are we going?”

Richard H. Mattson, M.D.
Professor Emeritus of Neurology
Senior Research Scientist,
Department of Neurology
Yale University School of Medicine

Wednesday, January 29, 2014 8:00 am, Brady Auditorium, Room B131

This course will fulfill the licensure requirement set forth by the State of Connecticut

This Grand Rounds Activity is not Supported by any Educational Grant

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

NEEDS ASSESSMENT

Discuss the older antiepileptic medications, the newer medications in use at present and the future of antiepileptic medications in the pipeline. This talk will benefit both neurologists and neurosurgeons taking care of patients with seizures.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will:

- Know the role of the older AEDs
- Know the role of the newer AEDs
- Understand the future for AED development

DESIGNATION STATEMENT

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
