

Neuroscience Seminar Series

Sponsored by: The Department of Neuroscience

“Cell-Based Strategies To Promote Long-Lasting Motor Recovery in a Mouse Model of Parkinson's Disease.”

Monday

April 5, 2021

12:00 Noon

Zoom:

Aryn Gittis, PhD

Associate Professor, Biological Sciences

Center for the Neural Basis of Cognition

Carnegie Mellon University

Host:

Sreeganga Chandra, PhD

Contact:

Katherine Bownes

203-785-4330
