

Atria Larson Place Honors **BREAST CANCER SURVIVORS**

A large, vibrant pink flower, possibly a daisy or gerbera, with a pink ribbon tied in a bow around its center. The ribbon is a soft pink color, matching the flower. The background is white.

Millions of Americans have battled breast cancer and won. Please join us for a very special event in their honor and help us raise awareness of this devastating disease.

Atria Larson Place is honoring breast cancer survivors and their caregivers with a luncheon and gift bag. Joining us will be Dr. Magdalena Plasilova of the Smilow Cancer Hospital Breast Center. She will discuss recent advancements in the detection and treatment of breast cancer.
