

# **CNNR/Cell Biology Special Seminar**

**Yuxin Mao, PhD**

Associate Professor of Molecular Biology & Genetics

Weill Institute for Cell and Molecular Biology

Cornell University

“Exploiting Host Phosphoinositide Signaling by the Bacterial Pathogen  
*Legionella pneumophila*”

Host: Pietro De Camilli, MD

**Thursday, May 21, 2015**

**12:00 pm**

**BCMM 206/208**
