Michael E. Hurwitz, MD, PhD

Assistant Professor, Yale Cancer Center

“Current Treatment of Advanced Prostate Cancer”

Thursday, August 1, 2013 - 8:30am-Fitkin Amphitheatre

NEEDS ASSESSMENT:

The management of advanced prostate cancer occupies a territory where oncologists and radiologists interact and sometimes collide on the several avenues of available treatment options. New chemo- and hormonal therapies are joined by advances in radiation therapy to alter the outcome of this very common malignancy. A road map of this terrain is essential for proper decision making and counseling.

LEARNING OBJECTIVES:

At the conclusion of this activity Participants will be able:

- *To review the pathology of advanced prostate cancer.
- *To understand the current management of advanced prostate cancer.
- *To understand future approaches for prostate cancer management.

DESIGNATION STATEMENT:

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 credit(s) Physicians should claim only credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
