

# Department of Cell Biology

## Seminar Series

**Jan Lammerding, PhD**

Associate Professor  
Dept. of Biomedical Engineering  
Weill Institute for Cell & Molecular  
Biology, Cornell University

**Host: Topher Carroll, PhD**

**“Nuclear envelope rupture and repair  
during cell migration in confined  
3-D environments”**

**Tuesday, March 8, 2016**

**1-2 pm  
TAC N107**

*-Refreshments will be served-*
