

## “The Endoscopy Course” Cases and Controversies in Endoscopy

Friday - Saturday, October 14 –15, 2022  
Newport Marriott | Newport, Rhode Island

The field of endoscopy has rapidly evolved with the introduction of innovative diagnostic techniques and novel therapies. The endoscopist frequently encounters difficult issues and controversies in patient management. “The Endoscopy Course” is designed to take a case-based approach to understand the current role of endoscopy in the care of patients with a variety of gastrointestinal diseases.
