The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Physicians, Fellows, Students, Nurses, PA's and others

NEEDS ASSESSMENT

Surveys of family members in neurocritical care units have suggested that there is room for improvement in how physicians and other clinicians provide decision making support for those acting as surrogates for incapacitated relatives.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Describe gaps in current approaches to discussing goals-of-care with surrogates of Neuro ICU patients
2. Critique the design of a randomized trial of a novel decision aid for assisting surrogates of Neuro ICU patients with goals-of-care decisions
3. Theorize outcomes that may be relevant for decision aid testing.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
