

Presented by: Genetics

Deconstructing neuronopathic Gaucher disease and genetic modifiers

10/4/2022 10:15AM–11:15AM | Medical Campus

Participants will learn the latest clinical and molecular advances in human genetics. The participants will learn to recognize abnormal molecular, cytogenetics and biochemical laboratory test results. The participant will learn the clinical management of biochemical and storage disorders. The participant will recognize key dysmorphic features that define individual syndromes.

Zoom passcode: 080122

Faculty:

Yong-hui Jiang, MD/DO
Professor, Yale University

Pramod K Mistry, MD
Professor, Yale University

Program Objective(s):

- 1 Understand the genotypic and phenotypic spectrum of Gaucher disease
- 2 Unmet need in Gaucher disease
- 3 Importance of translational research in advancing patient care and therapies.

Target Audience: Cardiovascular Disease, Endocrinology, Gastroenterology, Internal Medicine, Neurology, Nutrition, Ob/Gyn, Ophthalmology, Orthopedic Surgery, Pediatrics, Rheumatology, Multiple Specialties, Pathology, Otolaryngology, Orthopedic, Digestive Diseases, Vascular Medicine, Pulmonology, Hematology

Planners for this activity: Yong-hui Jiang, MD and Jennifer Essandoh

Financial Disclosure Information:

None of the faculty/planners for this educational activity have relevant financial relationship(s) to disclose with ineligible companies.

Accreditation Statement: Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement: Yale School of Medicine designates this Live Activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Mitigation of Financial Relationships Statement: Yale CME adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
