William Barris McAllister, Jr. Lecture

Thursday, April 21st 12:30-1:30pm

Hosted by: Chen Liu, MD, PhD

Michael Kashgarian, MD, FASN
Professor Emeritus of Pathology and Professor Emeritus of Molecular, Cellular and Developmental Biology; Senior Research Scientist, Department of Pathology, Yale School of Medicine

William Barris McAllister, Jr., Lecture: The Birth and Evolution of Medical Renal Pathology

Needs: Provide the history of the development of classifications and clinical utility of renal biopsy diagnosis in the management of medical renal diseases.

Objectives: Understand the classifications of medical renal diseases and their contribution to therapy.

Location: Fitkin Amphitheater, LMP 1094 (by invitation) and via Zoom.

There is No Corporate Support for These Activities. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Target Audience: Multiple Specialties, Pathology. Financial Disclosures: None of the faculty/planners for this educational activity have relevant financial relationship(s) to disclose with ineligible companies. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
