Host: Tao Zheng, MD

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

NEEDS ASSESSMENT

This forum has been chosen to update and educate residents, fellows, general pediatricians, academic physicians in practice; nurses and advanced practice nurses, and medical students about decision making in Neonatal Lupus.

LEARNING OBJECTIVES:

- Understand the maternal and fetal factors involved in the development of congenital heart block in SSA+ mothers
- Review the data of conventional fetal monitoring for congenital heart block and traditional interventions including glucocorticoids and immunoglobulin
- Describe emerging data on the role of Hydroxychloroquine in mitigating SSA+ congenital heart block

CME CREDIT

This educational activity is designated for a maximum of 1 Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

This course fulfills licensure requirements set forth by the State of Connecticut
