

Digestive Diseases and Yale Liver Center Research Seminar Series

Presented by

Yale School of Medicine, Department of Internal Medicine, Section of Digestive Diseases

“MicroRNA profiling of hepatic macrophages in models of alcoholic liver disease”

Laura E. Nagy, PhD

**Professor of Molecular Medicine and Director
Center for Liver Disease Research, Cleveland Clinic Foundation**

November 7, 2017

TAC S-247

5:00 pm – 6:00 pm

Host: Mario Strazzabosco, MD, PhD

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Yale Medical School Faculty, Fellows, & Staff
Local GI Physicians

NEEDS ASSESSMENT

Alcoholic liver disease is an important public health problem, yet no effective therapies are available. Therefore, basic research into the mechanisms of alcohol's actions on the activity of the innate immune system in the liver are essential for developing future, effective therapeutics.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Understand the interactions between alcohol innate immune activity in the liver.
2. Clarify the role of microRNAs in regulation of innate immune signaling
3. Learn about the impact of the carbohydrate hyaluronan on innate immune signaling in the liver.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

L Nagy – None
M Strazzabosco – none

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
