

# Yale Palliative Care and Symptom Science and Yale COPPER Center Present:

## "Achieving High Quality Palliative and End-of-Life Care for Children with Complex Chronic Conditions"

### **Emily Johnston, MD, MS**

Assistant Professor, Pediatric Hematology-Oncology,  
University of Alabama Heersink School of Medicine

Dr. Johnston is pediatric oncologist and Assistant Professor of Pediatrics at the University of Alabama at Birmingham, where she is a member of the Institute for Cancer Outcomes and Survivorship and the Center for Palliative and Supportive Care. Her long-term goal is to establish quality measures for children with cancer and leverage those measures to reduce disparities in care.

**Wednesday, November 30 | 4:00pm**
