

# INCLUSIVE CARE FOR TRANSGENDER PEOPLE WITH CANCER & ART AS RESISTANCE

**Friday, November 15, 2024**

**The Anlyan Center Auditorium**

**11:00am-12:00pm**

**Followed by Lunch**

We invite you to join filmmaker Yee Won Chong along with the Transgender Cancer Patient Community Advisory Board and Dr. Ash Alpert whose work focuses on improving experiences and outcomes for transgender people with cancer for a discussion on art as resistance. This conversation follows an open screening of the movie, "Trans Dudes with Lady Cancers," at the Whitney Humanities Center the evening of Thursday, November 14.

**A Panel Discussion with:**

Ash Alpert, MD, MFA

Yee Won Chong, BA

Charlie Manzano, BA

Roman Ruddick

Spencer Adams, BS CHES

**Hosted by:**

Yale Cancer Center
