CIRA Talk: Conducting International HIV/AIDS Research during the COVID-19 Pandemic

Join us in a virtual panel discussion on conducting international HIV/AIDS research in the time of a pandemic. Panelists include Yale faculty researchers and CIRA International Visiting Fellows.

Topics:

- **Strategies to thrive when adjusting from research environments to working remotely**
- **Creative approaches to maintain productivity and communication with research collaborators**
- **Opportunities to shift focus and study the impact of COVID-19 on HIV/AIDS prevention and treatment**

Wednesday, August 19, 2020
8:00 am - 9:00 am ET

Join by Zoom:
