

YALE SCHOOL OF MEDICINE
PATHOLOGY
GRAND ROUNDS
DIAGNOSTIC SLIDE SEMINAR

Host: Name, Harold Sanchez, MD

Jody E. Hooper, MD

Associate Professor of Oncology and of Pathology
Department Deputy Director for Quality, Patient Safety and Service
Director of Legacy Gift Rapid Research Autopsy Program
Attending Physician, Johns Hopkins University

DIAGNOSTIC SLIDE SEMINAR: 8:30 AM

“What the Amazing Autopsy Can Do!”

GRAND ROUNDS: 12:30 PM

“Back on the Cutting Edge: Autopsy in the COVID-19 Era”

Thursday, June 10th, 2021

Zoom Meetings ID and Password: emailed separately

For information contact : susana.cruz@yale.edu

There is no corporate or grant support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, researchers, house staff, fellows, residents, medical students, nurses.

NEEDS ASSESSMENT

This talk will describe measures taken on a university autopsy service which was active throughout the

COVID-19 pandemic, and will explain measures taken to ensure safety and good diagnostic results. It will briefly review the principal pathologic findings of COVID-19 elucidated by autopsy. This talk will also demonstrate cutting edge research studies being performed today using postmortem tissue.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Understand safety and logistical concerns associated with performing autopsies on decedents with an emerging disease.
- Describe the principal pathologic findings in

COVID-19 elucidated by autopsy.

- Utilize postmortem tissue in research studies for investigation of a new pandemic.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Speaker Name: Jody E. Hooper, MD - NONE
Course Directors: Manju Prasad, MD - NONE

Kurt Schalper, MD, PhD - NONE
Gopal Pallavi, MD, PhD - NONE

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

Needs Assessment and Learning Objectives for Digital Slide Seminar

NEEDS ASSESSMENT

This talk will describe seven purposes for performing autopsies including causes of death, quality assurance, observation for treatment effects, closure for families, education, public health, and

research. One case example for each purpose will be shown at the pathology discussed.

LEARNING OBJECTIVES

Understand that autopsies still discover unexpected causes of death in the modern era.

Describe other purposes for autopsy besides explaining unknown causes of death.
Educate others in the utilization of autopsy for public health.
