Yale School of Medicine
Office of Student Research
Application Form for Research Funds via
The Lowe Endowment Fund and The Lewis Levy, MD, Research Fund

To apply for funds toward research costs/equipment - Preference will be given to faculty/student pairs who do not have research grants or other funds to cover these expenses (some Downs fellowships where equipment is needed, humanities in medicine research projects, and certain clinical research projects). Funds will not be given if the faculty mentor holds a grant or has other funds. **IMPORTANT: Medical students may apply for research costs/equipment for one research project per academic year. Medical students cannot submit a second application for research costs/equipment for the same research project.**

Type of funds requested:

Equipment costs*

Publication costs

Study participant remunerations*

Other research-related costs (briefly explain)*   _____

*You must include a copy of your protocol with your name clearly added for the funding request types above. You must also include a copy of your HIC or IACUC application (or exemption, if applicable), with your application. **Please contact the Office of Student Research regarding allowable spending in these categories.**

The maximum amount that can be applied for is $1,000.

To apply, please complete the following:

Please list all other funds available to the faculty mentor in the space below.

☐ **(Please check this box only if applicable.)** There are no other funds available for this project. I do not have existing grant funds that would be allowed to cover these costs, and do not have access to any other funds that that could support this.

Please list the supplier and associated cost (Max $1,000**). Contact the Office of Student Research regarding allowable research costs/equipment.**

By signing below, we (student and faculty mentor) certify that other funding for these costs have been explored and are not available for these expenses (examples are grants and faculty departmental funds).
