

# CBIT Clinician Pitch Night

Tues. Nov. 3, 5-7pm @ CEID

Want to help make a difference in improving patients' lives? Want to apply your skills to solving real-world challenges? Come to the CBIT Clinician Pitch Night, where you'll hear from four clinicians about some of the biggest problems facing healthcare today and how you can join their team to develop solutions to address those problems. All backgrounds and disciplines are welcome.

Dinner will be served at 4:45pm and pitches will begin promptly at 5pm. Please RSVP here: <http://tinyurl.com/CBIT-pitch-night-nov3>

Sponsored by the Yale Center for Biomedical and Interventional Technology (CBIT)
