

Yale Interventional Radiology Grand Rounds

Presented by

**Yale School of Medicine's, Department of Radiology and Biomedical Imaging
Section of Interventional Radiology**

“Stem Cells for Preventing Vascular Injury”

**Sanjay Misra, M.D.
Professor of Radiology
Mayo Clinic
Rochester, Minnesota**

**Adjunct Assistant Professor of Radiology
University of Minnesota
Minneapolis, Minnesota**

**Wednesday, September 25, 2019
7:30 am
Fitkin Auditorium**

Course Director/Host: Kevin Kim, M.D.

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Physicians, Fellows, Residents and Medical Students

NEEDS ASSESSMENT

The role of stem cells in medicine is a dynamic and an evolving area to treat illness and injury. The target audience will gain a greater understanding the role and the mechanisms of stem cells in reducing vascular injury. Imaging of stem cells will be

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Mechanism of action for stem cells in preventing vascular injury
2. Potential applications of stem cells in vascular injury
3. Imaging of stem cells

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Sanya Misra, MD – Funding NIH – Researcher
Funding Mayo Clinic - Researcher

Kevin Kim, MD - none

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
