Nephrology
Regularly Scheduled Series

Peter S. Aronson, MD
C. N. H. Long Professor of Medicine (Nephrology) and
Professor of Cellular and Molecular Physiology

“Acid-Base Homeostasis”

Friday, July 19, 2019
12:00 PM – 1:00 PM
The Anlyan Center – TAC N203

Course Director/Host: Ethan Marin, M.D., Ph.D.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

Accreditation
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Target Audience
Attending physicians, House staff, Fellows, medical Students, Nurses, Pas

Needs Assessment
Clinicians need to understand the mechanisms of acid-base transport along the nephron to be able to diagnose and manage patients with acid-base disorders.

Learning Objectives
At the conclusion of this activity, participants will be able to:
- Identify mechanisms for acid-base transport along the nephron.
- Identify role and route of ammonium excretion.
- Identify factors that regulate renal tubule acid-base transport and thereby achieve acid-base balance.

Designation Statement
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Faculty Disclosures
Peter S. Aronson, M.D. – None
Ethan Marin, M.D., Ph.D. – None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
