

AUGUST SEMINAR NOTICE

Presented by

Yale School of Medicine's, Department of Therapeutic Radiology

“Tumor Hypoxia: Challenges to Treatment and Opportunities for Intervention”

Zhong Yun, PhD

**Senior Research Scientist, Department of Therapeutic Radiology
Yale School of Medicine**

Date: Thursday, August 22, 2019, 9:00AM

Location: Smilow LL505

Course Director/Host: Henry S. Park, MD, MPH

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending Physicians; Housestaff/Fellows; Medical Students; Nurses; PA's; Other

NEEDS ASSESSMENT

Hypoxia is a characteristic feature of solid tumors and is a prognostic factor for therapy resistance and poor patient survival. Understanding tumor hypoxia is important for the development of more effective therapeutic approaches against aggressive solid tumors.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to

1. What causes tumor hypoxia.
2. Mechanisms of cellular response to hypoxia.
3. Opportunities for targeting hypoxic tumor cells.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Zhong Yun, PhD –None; Henry S. Park, MD, MPH – RadOncQuestions, LLC, Honorarium-Editor

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
