There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 3 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** This course will meet the need of physicians and mid-level providers to receive information on the most relevant updated information from the past year, including that presented at international research meetings sponsored by the American Association for the Study of Liver Diseases, Digestive Diseases Week, and the European Association for the Study of the Liver. A panel of experts in hepatology will provide commentary and clinical relevance concerning the material presented. **Objectives:** Chronic liver disease represents an increasingly common condition managed by primary care, infectious diseases, substance use, and gastroenterology physicians and mid-level providers. Each subspecialty area of hepatology has become progressively complex and is rapidly evolving. **Faculty Disclosures:** Joseph Lim, Wajahat Mehal and Pramod Mistry, faculty/planners for this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose. All of the relevant financial relationships listed for these individuals have been mitigated. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
