Host: Joseph Lim, MD

To record your attendance to this activity, text the Activity Code (20545) for your RSS activity to 203-442-9435. You will receive a message back that verifies your activity attendance has been recorded for CME credit.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Designation Statement:** Endoscopy subjects gastroenterologists to numerous musculoskeletal stresses which may lead to overuse injuries and, ultimately, disability. Understanding and employing good ergonomic principles may play a role in reducing such injuries. Moreover, having a sense for how endoscope redesign and changes in how endoscopy is employed, may reduce or eliminate these potentially harmful stresses. **Objectives:** Understand how employing good ergonomic principles may decrease endoscopy-related injuries and disability; Describe what modifications to the endoscopy suite may diminish risks to endoscopists; Envision how changes to endoscope design and application may diminish or eliminate adverse musculoskeletal forces and work-related musculoskeletal disorders in endoscopists. **Faculty Disclosures:** P Young – None; J Lim – None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
